Other Comments or Suggestions:

Open concessions for Sunday breakfast

Vendor areas were much better this year!

Sunday raffle earlier in the day

Thought the Ramada would be walking distance due to FC website – please clarify for next year.

Some games advertised as RPG were more miniature

Don't have so many raffles

Would have liked to see Champions – would have liked to have a more intimate space for RPG's – the loud room made it difficult to hear

Bathrooms closer to RPG's for better quick breaks

I'd like to see a costume contest!

Great job!

Would have liked to see Warlord

Like to see a raffle to hit Dave with a pie

Better raffle prizes

Game signups should have title in a larger font so it is easier to find the game you want – maybe put the signups in categories

Thanks Dave!

More minis!

Prices for food and drink high, but close restaurants helped

More board game tournaments

Tablecloths to keep from getting splinters

Move vendors to side of room w/big door

Single day passes

Food on Sunday morning

Would like to see Sabertooth Games universal fighting system ccg

Too many ads at the beginning of the book made the event schedule really hard to read/understand

Didn't like location of painting table – maybe put a break in it, so it doesn't need to be walked around always

More LAN games!

Plastic table clothes to avoid splinters would be nice

Would like to see Rael games (Empire Builder Series)

Bigger print in the books and on the board

Run GURPS

Hotel within walking distance

Run Yahtzee!
